PEARNEL P. CHARLES, CD, MP, JP

Speaker.
MEMORANDUM OF OBJECTS AND REASONS

In light of the Government's continued commitment to tax reform which broadens the tax base and ensures revenue adequacy and sustainability, the Government is seeking to complete the elimination of the zero-rating of general consumption tax for government bodies, with the exception of public schools and the Jamaica Defence Force.

Therefore, this Bill seeks to amend certain statutes to remove the general consumption tax exemptions enjoyed by certain government bodies, thereby requiring them to pay general consumption tax on the goods and services which they use in the performance of their functions.
