MEMORANDUM OF OBJECTS AND REASONS

A decision has been taken to enact legislation which will provide a single comprehensive framework to address human resource management issues in respect of staff employed in the services of local government authorities. This Bill seeks to give effect to that decision and, among other things, provides for—

(a) the establishment of a single Local Government Services Commission and a unified local government service;

(b) clear definition of the role of the Local Government Services Commission vis-à-vis the role of the local government authorities in the management of human resources;

(c) the Local Government Services Commission to be empowered to delegate certain of its functions to the local government authorities;

(d) the repeal of the Parish Councils (Unified Services) Act, the Municipal Service Commission Act, and the Poor Relief Officers (Unified Service) Act.
