Cabinet also authorized the Minister of Foreign Affairs and Foreign Trade to sign the Agreement on behalf of the Government of Jamaica.

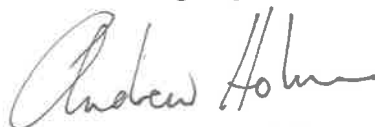

The Paris Agreement is a legally binding instrument which requires countries to limit the increase in the global average temperature to well below 2°C above pre-industrial levels by 2100 and pursue efforts to limit the temperature increase to 1.5°C above pre-industrial levels. The ultimate objective of the Agreement is to stabilize greenhouse gas concentration in the atmosphere at a level that will prevent dangerous interference with the climate system.

5 Celebration of Workers' Week and Labour Day 2016

Cabinet approved the plans for celebration of Workers' Week and Labour Day 2016 under the theme "Keep it Clean for Health's Sake". The focus of the celebration will be on health and the environment and the National Labour Day project will focus on the Christian Pen/Gregory Park communities of St Catherine, the epicentre of the current Zika Virus outbreak.

Currently, the Government of Jamaica is involved in several ongoing initiatives centred on environmental clean-up, safety and health. The focus of the 2016 Labour Day will be on providing a platform that will reinforce these ongoing efforts and further engaging the Jamaican people in a campaign to clean up our communities for the long term benefit of our nation.

The Honourable House is asked to note the foregoing.

Andrew Holness, MP
Prime Minister
